Golden Palace Group supports “Les Étoiles Radio Contact” for the third consecutive year 🌟

For the third year in a row, the Golden Palace Group is proud to be the main partner of “Les Étoiles Radio Contact,” a charitable initiative created by David Antoine (Radio Contact) in support of the non-profit organisation Pêcheur de Lune. The stars will be available for purchase in Golden Palace establishments located across Wallonia and Brussels. 🇧🇪

**A wave of solidarity
that grows every year 🎁**

In 2024, the initiative raised an impressive €771,555 through the sale of 154,311 stars – a result almost three times higher the previous year. This incredible achievement made it possible to offer a true Christmas celebration to children in care, in hospitals,

or from disadvantaged backgrounds across French-speaking Belgium.

" This initiative resonates deeply with our DNA as a family business. Supporting Les Étoiles is a natural choice for us, a way to bring a bit of light where it's sometimes missing."

Daniela Menegalli, CEO of the Golden Palace Group.

Stars available in 25 Golden Palace establishments

As an official partner and reseller, the **Golden Palace Group** is **offering 1,000 stars for sale across 24 of its gaming venues, as well as at La Table du Comedie. Each star, sold at €5**, helps fund Christmas gifts and activities throughout the year for children facing difficult circumstances.

A simple but meaningful way to spread a little joy... and bring a brighter future to those who need it most.
